

# Bike & Wine Tour in Greve in Chianti (Medium-high level)

Skilled excursionist guide (see L.R. Toscana 14/2005) organizes private excursions in mountain bike, and hybrid bike for single persons or groups in all area of Chianti. The excursions allows to combine to a healthy outdoor physical activity, the discovery of Chianti from a naturalistic and historical-artistic point of view. During the excursions are planned some stops to visit churches, parish churches, castles and medieval villages. Furthermore is possible to book a wine tasting, visit of the winery and vineyards of a famous Chianti Classico Wine Producer. Every excursion can be modified acting as requirements and interests of the clients.
